## EPTC'S Junior Tennis Program

EPTC is excited to launch the fifth full year of its comprehensive junior tennis program. The program will continue to offer a range of programs and classes designed for players 4 to 18 years of age, at a variety of skill levels.

### Scott Christensen, Junior Tennis Director

Scott Christensen has 34 years of experience in almost every segment of the tennis industry ranging from active player to tennis professional to the marketing department for the second rated racquet company. Most recently Scott served as Director of Tennis at the Moss Creek Tennis Center in Hilton Head SC and Academy Coach at the Ivan Lendl International Junior Tennis Academy, also in Hilton Head. As a player Scott has held state, sectional and national rankings and when not teaching will often be seen on the court practicing.

### Competitive Training Center

We are excited to start our CTC program here at EPTC. This is a USTA program by invitation only for the best area players to meet monthly for drilling, instruction and match play. The EPTC is honored to be one of 100 clubs across the nation chosen to host a CTC!
